

WEST END PRIMARY SCHOOL

Yes I Can!

Our School

June 2024

We have had a very busy month. It was wonderful to see so many of you at the Enterprise Fair. All of the classes are excitedly deciding how to spend their profits. They learned lots about having a business and a big congratulations to Year 4 who made the most profit.

We have lots of end of term activities coming up and look forward to seeing you all at the sports days.

Child neglect is the most common form of child abuse in the UK and robs children of their childhood. As [Action for Children](#) note, "When an adult doesn't support them it means they can be unsafe, unhealthy, unloved and uncared for."

If you have concerns, contact one of the team above or Northumberland Social Services: 01670 536400.

Several incidents are being reported to school which involve children being extremely unkind to each other at home using social media. Please check the age restrictions for Apps and monitor your child when on their devices.

Being in school is important to your child's academic achievement, wellbeing, and wider development.

There is evidence to suggest that regular school attendance is a key mechanism to support children and young people's educational, economic and social outcomes.
