

Homework

Rowan Class - Homework will be sent out on a Friday and is due in the following Thursday.

The work will be work that we have already covered in class so your child should be able to do it independently.

We will mark homework together in lesson time so it is important that the children remember to complete and return their homework.

Please do not spend longer than half an hour on a homework task.

You can support your child with their homework if you wish or they can complete the task independently.

You can indicate this on the sheet inside the book and/or how they managed it.

We appreciate that both adults and children have busy lives outside of school. We are not expecting your child (or you!) to be super-human and spend hours on homework tasks. Other interests are important too!

Times Table Rockstars

The children have log-ins for Times Table Rockstars and they can complete additional homework tasks on here if they wish.

Completed Times Table Rockstars tasks can be swapped out for Class Dojo points.
