

JOBS DAY

Dear Parents/carers,

To celebrate the end of our Geography topic on "Brilliant Bedlington" we are holding a "Jobs Day" on Thursday 20th February.

On "Jobs Day" the children are invited to come to school dressed-up as someone who might work in Bedlington.

Ideas could include: police officers, doctors, nurses mechanics, vicars, chefs, waitresses, librarians, teachers secretaries, professional sports people, farmers etc

Please discourage dragons, cowboys, princesses, fairies etc as we will use the costumes to discuss local jobs!

The children will need to know what they are and what they do in their job to annotate a photo of themselves so please have a chat about this before the day.

If you would like to come in at some point in the week to talk to the children about your job it would really bring the topic to life! If you are willing to do this, please send me a dojo message or catch me on the door to arrange a time.

Thank you for your support

Mrs Hedley
